

# HELP THE WALL OF LEGACY GROW

The Johnston Little League Wall of Legacy is taking shape. Be a part of the legacy and help support the Little League program by purchasing your customized brick for further expansion of the wall today. The purpose of the project is to highlight individuals or groups that have been a part of the Little League experience through the years. Examples might include families, coaches, teams, or sponsors. Each brick costs only \$50, and all proceeds of the project will go toward further beautification of Creekside park. A brick may be imprinted with up to three lines of fifteen letters each (including spaces). Purchase a name brick as a lasting memory that will be shared for generations to come.

Use the spaces below to show exactly what you would like displayed on your brick.
